"Grey Hair is a Crown of Glory and it's gained in a righteous life."
— Proverbs 16:31

Dear Friends and Supporters,

Warm greetings from Byona Biyinzika Ministries! This month, we continue to celebrate and uplift our beloved elders through our Senior Connect Day Program. The joy, wisdom, and resilience our seniors bring to each gathering remind us why our mission is so important — to ensure that every elder in Uganda feels valued, seen, and supported.

Thank you for walking this journey with us.

Why the Senior Connect Day Program Matters?

The Senior Connect Day Program provides a safe, joyful space for elders to meet regularly, share stories, learn new skills, and receive guidance in health, social, and spiritual well-being. Through this initiative, we strengthen community bonds and give every elder a renewed sense of purpose and belonging.
